Our Ref.: BEL/MO/2020/07/043N

Date : 27 July 2020

To : All Owners/Occupants of The Belcher's From : The Management Office of The Belcher's

Arrangement on Food Delivery or Courier activities in the Belcher's

With the recent announcement from Center of Health Protection (CHP), more confirmed cases of COVID-19 were found and the outbreak of the COVID-19 was seen.

To reduce the risk of infection of Covid-19 to our resident, new measures on all delivery activities would be implemented as follows:

- 1. The food delivery staff or courier would be only allowed accessing The Belcher's through a) the main gate (podium level, facing Pok Fu Lam Road); and b) Cargo Lifts No. 6 &7 lobby (UG, facing South Lane).
- 2. Thermal detection will be carried out when accessing the above entrances. For those body temperature is over the described temperature of the detector, those persons would not be allowed accessing the Belcher's.
- 3. Second time thermal detection would be carried out when accessing to the towers. For those body temperature is over the described temperature of the detector, those persons would not be allowed accessing the tower.

*Residents are advised to use the shuttle lift lobby (facing Belcher's Street) for accessing the estate reducing the chance for contacting food delivery staff or courier. In the same time, the above measures would reduce the chance our resident sharing the same lift with the delivery man, hence reduce the social contacts between residents and non-residents.

Please rest assured that we will take further measures in response to the latest condition. Should you have any queries about this matter, please feel free to contact us.

有關外賣人士/速遞員進出屋苑安排

就近日衞生防護中心公佈的 2019 冠狀病毒病(COVID-19)受感染個案有爆發的趨勢。為了減少住戶因接觸外賣人士/速遞員而感染的風險,管理處就送外賣人士/速遞員進出屋苑將有以下新安排:

- 1.送外賣人士/速遞員只保留於以下兩個位置出入:
- a. 薄扶林大閘;
- b. 南里 6,7 號貨用升降機大堂
- 2. 送外賣人士/速遞員於進入時需進行體溫檢測,體溫未有超標者方可進入屋苑。
- 3. 送外賣人士/速遞員進入各座大堂時,同事會再次為其量度體溫,體溫未有超標者才可進入大樓。

*建議各住戶亦以穿梭升降機大堂(卑路乍街)進出屋苑,以減少與送外賣人士/速遞員接觸的機會。同時以上措施亦有助減少住戶與送貨員共處升降機機會,進一步減少住戶與非住戶之社交接觸。

管理處將按事情發展採取更進一步的措施。如有任何查詢,請與管理處職員聯絡。
